

Dream it... Plan it... Build it!

THE ATLANTIS - 2423 LIVING - 3792 UNDER ROOF

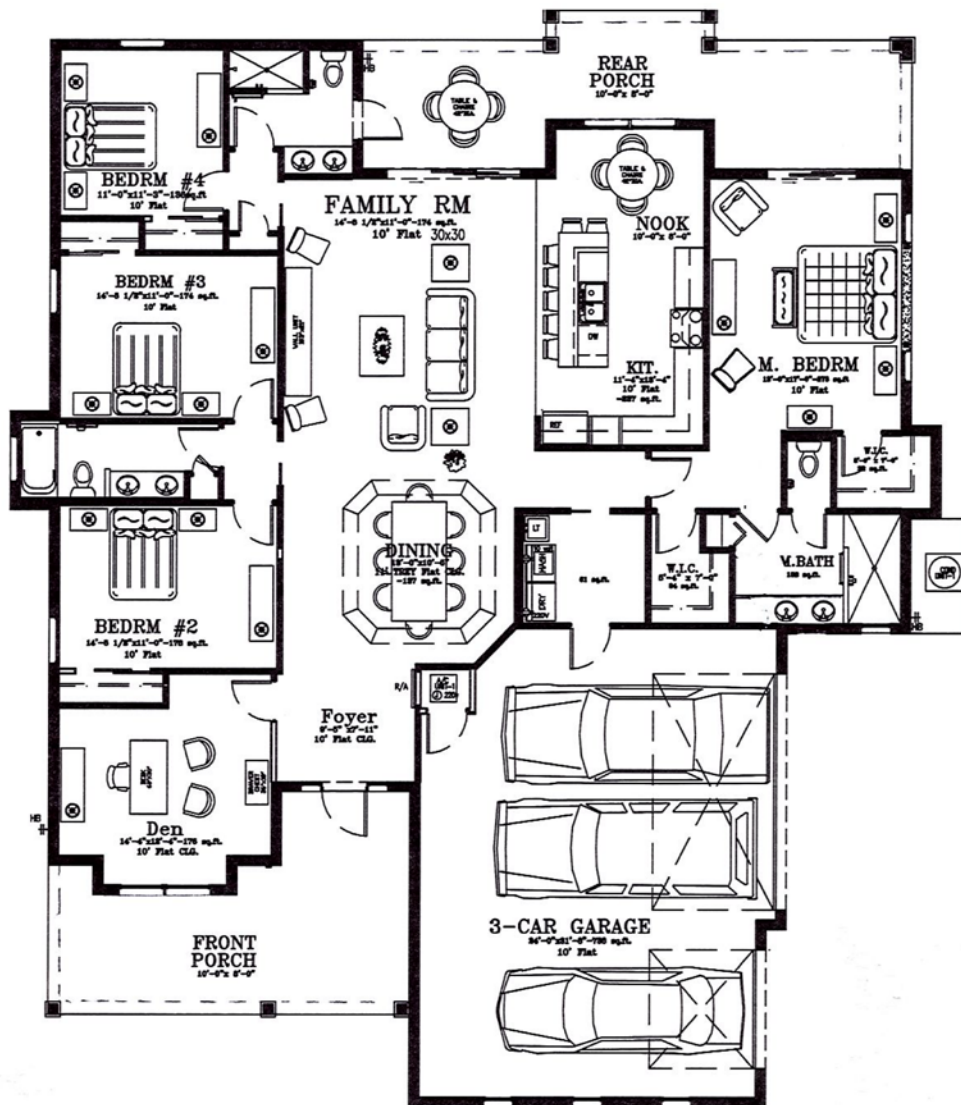

THE ATLANTIS

Certainly this home will be among one of the most appreciated homes for a family that wants space and functionality. The home features 4 bedrooms, a den, 3 full baths, great room concept, with open kitchen design. The covered lanai is perfect for relaxing and a front porch adds charm to this southern charm home. A terrific feature is the side load 3 car garage that makes this home so special. With a spectacular elevation that will certainly turn heads, giving everyone the feeling of true southern living from every angle.
