

*Dream it... Plan it... Build it!*

THE CAYMAN I | LIVING-2317 UNDER ROOF-3231

## **THE CAYMAN I**

*Our newest addition to our line-up of homes "The Cayman I" is inspired for the family that needs room. This home has defined family living with all in mind who truly desire an open space for family gatherings, entertaining or just relaxation in an open air plan.*

*The home features 4 bedrooms, 3 full baths, a great room, dining room and breakfast nook. A kitchen with great space for food preparation and a serving counter bar that sits the whole family comfortably. The rear covered lanai is terrific in space with a bathroom access, should a buyer wish to have a pool. The warmth of an inviting front porch brings this home to life. This home is has it all and so much more!*
