

Dream it... Plan it... Build it!

THE CAYMAN II LIVING-2145 UNDER ROOF-3026

THE CAYMAN II

Our newest addition to our line-up of homes “The Cayman II” is inspired for the family that needs room. This home has defined family living with all in mind who truly desire an open space for family gatherings, entertaining or just relaxation in an open air plan.

The home features 3 bedrooms, 2 full baths, a great room, dining room and breakfast nook. A kitchen with great space for food preparation and a serving counter bar that sits the whole family comfortably. The rear covered lanai is terrific in space for entertaining or relaxing.

The warmth of an inviting front porch brings this home to life. This home is has it all and so much more!
